About Explorers

Explorer Scouts are the next section up from Scouts. Explorer age range is 14-18yrs.

Explorer Scout Units are typically independent of Scout groups, are largely self-administered and are supported by each Scout Association District.

Membership is at the national level. This means any member is permitted to participate in events and activities organised by any Explorer unit in the country. This flexibility provides lots of opportunity for Explorer Scouts in the UK and abroad.

About Ampthill & Flitwick Explorer Scout Unit

Ampthill & Flitwick Explorer Unit is open to any applicant aged over 14 yrs, regardless of gender, faith or race.

Places in the unit are limited and a waiting list is in operation. Precedence on the list is given to qualifying members of its two partner Scout Groups at Ampthill and at Flitwick. Other considerations are made for previous scouting experience, age and having a brother or sister in the unit.

Unit capacity will be assessed termly and any vacancies offered in strict accordance with the waiting list.

The decision of the AFESU Leadership Team to offer membership is final.

What happens next

Your application will be recorded by the Ampthill & Flitwick Explorer Unit Leadership Team. If the Unit is oversubscribed your name will be placed on a waiting list.

The Leadership Team will respond within 2 weeks of receipt of your application to let you know what will happen next.

Thank you for your application

Scouting is a voluntary organisation that could not continue without the dedication of supporting volunteers. Although Explorer Scouts organise and run many activities themselves, adult supervision and support is still a necessity.

We need the assistance of adults in a number of roles from help loading /unloading, cooking, driving, a variety of administrative roles requiring no special training, all the way to fully trained and committed uniformed leaders.
